

HANDY PRINTER

G-05 MINI

- 12.7 mm High-Resolution Printing for sharp codes, text & barcodes.
- Compact & Portable Design
- High-Resolution 300–600 DPI Printing
- Prints on Paper, Plastic, Wood & More
- Easy Touchscreen Operation
- HP TIJ Cartridge – Low Maintenance

G-28 MASTER

- 12.7 mm High-Resolution Printing for sharp codes, text & barcodes.
- 600 DPI Output ensuring premium print clarity on all surfaces.
- 2.4" Touchscreen Control for easy operation & quick settings.
- Portable Design with Long Battery Life for on-the-go batch coding.
- Wide Ink Compatibility – works with solvent, water-based & UV inks.

G-35 SMART

- High-Resolution TIJ Printing
- Compact & Portable Design
- 12.7 mm Print Height
- Easy Touchscreen Operation
- Supports Multiple Ink Types

HANDY PRINTER

G-10 PRO

- High-resolution TIJ printing for crisp batch codes & barcodes.
- Dual cartridge support – 12.7 mm & 25.4 mm print height options.
- High-speed printing up to 120 m/min on production lines.
- 10-inch touchscreen control with user-friendly interface.
- Supports text, QR, barcodes, logos & variable data with precision.

G-11 METAL BODY

- High-Resolution 600 DPI printing for sharp, clear batch codes.
- 12.7 mm print height ideal for all packaging surfaces.
- Fast printing speed up to 50 m/min for high-volume production.
- 4.3" touchscreen for easy operation & quick job setup.
- Compatible with multi-surface inks for cardboard, plastic, metal & more

G-20 ECO

- 12.7 mm High-Resolution TIJ Printing for crisp batch codes & barcodes.
- 600 DPI Output delivers sharp text, logos, and QR codes.
- Fast Inline Coding compatible with all packaging conveyor lines.
- User-Friendly Touch Control for quick message setup & editing.
- Multi-Surface Printing on cartons, pouches, plastics, metals & more.

HANDY PRINTER PREMIUM

G-50

- Premium TIJ Handy Printer with 12.7 mm print height
- Unlimited print length for continuous coding
- Mobile App Control for easy operation
- Sharp, clear prints for batch codes, QR & barcodes
- Reliable, fast & efficient

G-60

- 25.4 mm High Print Height for bold and clear coding
- WiFi App Control for smart and easy operation
- 2500 mAh Battery ensures long, uninterrupted printing
- Up to 60m/min Print Speed for high-efficiency workflows
- Embedded FreeRTOS System for stable, reliable performance

M-6

- High-resolution printing for barcodes, QR codes & text
- Easy touchscreen operation
- Fast & stable handheld performance
- Compatible with multiple TIJ cartridges
- Ideal for packaging, FMCG, pharma & manufacturing

HANDY PRINTER PREMIUM

G-222

- 4.3-inch touchscreen for easy operation
- Single TIJ print head with 12.7 mm print height
- External encoder compatibility for accurate speed control
- Sharp, high-resolution printing for all materials
- 2000 mAh battery for long continuous operation

G-222-F

- 25.4 mm Large Print Height for high-visibility coding
- New Updated Software for smooth, fast operation
- USB Connectivity for easy file transfer
- Long-lasting Battery Life for all-day printing
- Durable & Reliable Design for industrial usage

G-222 FF

- High-speed handheld TIJ printer with smart Linux software
- Inbuilt sensor & encoder for precise printing
- Supports 2–50 mm print height with seamless stitching
- 5-inch touch screen with user-level control system
- Auto & key trigger for smooth operation

ONLINE PRINTER

G-80

- 600 DPI High-Resolution Printing
- Print Height up to 12.7 mm
- Supports High-Speed Online Printing
- 5-inch Smart Touchscreen Control
- Compatible with Multiple Inks & Surfaces

G-100

- High-Precision TIJ Printing up to 600 DPI
- Print Height 1–12.7 mm for versatile coding
- Supports High-Speed Lines up to 50 m/min
- 7" Touchscreen Control easy setup & operation
- Prints on All Surfaces – cartons, bottles, pouches & more

G-777

- High-speed TIJ online coding with crisp 600 DPI output
- Supports batch, MRP, QR/Barcodes & variable data
- Stable industrial design for continuous production lines
- Compatible with paper, plastic, metal & coated surfaces
- Easy operation with user-friendly interface & quick cartridge change

ONLINE PRINTER

G-710

- High-speed online TIJ coding for production lines
- Crisp, high-resolution printing up to 600 DPI
- Prints text, QR, barcodes, batch & logos
- Easy touchscreen operation with sensor/encoder support
- Compatible with all surfaces with fast-dry inks

G-910

- Online TIJ printer with easy touchscreen control.
- Supports 1–4 print heads and multiple ink types.
- High 300 dpi resolution; fast printing up to 120 m/min.
- Prints text, barcodes, QR, logos, and batch info.
- USB, LAN, RS232 connectivity with sensor support.
- Convertible Head: Switch from 12.7 mm to 25.4 mm in seconds

G-5505

- Convertible Head: Switch from 12.7 mm to 25.4 mm in seconds
- One Screw Change: Simple & tool-free
- Dual Print Heights: One printer, two options
- Quick Setup: No downtime
- Production Ready: Flexible for all jobs

ONLINE PRINTER Docod

G-1000

- High-speed online TIJ coding for production lines Printing height 1-12.7mm.
- Crisp, high-resolution printing up to 300 DPI
- Prints text, QR, barcodes, batch & logos
- Easy touchscreen operation with sensor/encoder support
- Compatible with all surfaces with fast-dry inks

G-2000

- Online TIJ printer with easy touchscreen control.
- Supports 1–2 print heads and multiple ink types.
- High 300 dpi resolution; fast printing up to 120 m/min.
- Prints text, barcodes, QR, logos, and batch info.
- USB, LAN, RS232 connectivity with sensor support.
- Printing height 25.4 mm

G-1405 4 HEAD

- 600 DPI High-Resolution Printing
- Print Height up to 12.7 mm
- Number of printheads: 1/2/3/4
- Print height: 1-50.8mm
- 7-inch Smart Touchscreen Control
- Print speed: 406m/min(90DPI)

ONLINE PRINTER Docod

G-1405 6 HEAD

- High-Precision TIJ Printing up to 600 DPI
- Print height: 1-76.2mm
- Number of printheads:1/2/3/4/5/6
- Print speed: Up to 203m/min
- 7" Touchscreen Control easy setup & operation

G-3405

- High-speed TIJ online coding with crisp 600 DPI output
- Supports batch, MRP, QR/Barcodes & variable data
- Stable industrial design for continuous production lines
- Compatible with paper, plastic, metal & coated surfaces
- Easy operation with user-friendly interface & quick cartridge change

G-4260

- Convertible Head: Switch from 12.7 mm to 25.4 mm in seconds
- Print Height up to 50.4 mm
- Dual Print Heights: One printer, two options
- Linux operating system
- 7-inch industrial-grade touchscreen
